

Co-op Jr Electrical Systems Detailer Student

Company Overview

TS Manufacturing, a local family-owned manufacturer of Automated Machinery for the Sawmill & Material Handling sector, based in the scenic City of Kawartha Lakes. As an industry leading manufacturer, TS Manufacturing has continually improved its facilities and infrastructure leading to the completion of a multi-million dollar facility and equipment expansion. Once our current expansion is complete, we will have over 77,000 square feet in our manufacturing facility. With modern technology, and a strong global customer base we require people who are willing to take advantage of the opportunities to improve our processes and customer experiences throughout the organization including the CNC Plasma Operator. Currently Celebrating 50 years in business with an experienced multi-generational team; TS Manufacturing offers a rural based lifestyle, while working in a global reaching, pandemic essential business; offering competitive pay and benefits.

Job Description

The successful **Fall (Sept 2022) CO-OP** student candidate will possess basic to mid-level skills in AutoCAD Electrical in the position of **Junior Electrical System Detailer** and will work in our design office in Lindsay, Ontario. Based on the candidate's experience, they will use their skills as part of Engineering Department team working on multi-million dollar industrial automated systems.

Key Duties Include

- AutoCAD Electrical Detailing
- Independent and team efforts on large multi-discipline design and detail projects.
- Complete as-built drawing mark-ups.
- Detailing, bill of material, issuing, processing, plotting, printing, distribution of drawings and material lists.
- Project documentation and equipment manuals* (Depending on the candidate's strengths – subject to vary slightly).
- Plus other duties as assigned.

Desired Skills & Experience

- Very organized, able to multitask and able to meet deadlines.
- Basic to mid-level design/detailing experience using AutoCAD Electrical.
- Working knowledge and experience with drafting fundamentals and practices a benefit.
- Microsoft Office 2012 or later (Word, Excel, Outlook etc.)
- Excellent verbal and written communication skills.
- Ability to work extra hours to ensure a successful project when required.

Training will be provided.

Applicants are encouraged to view our website www.tsman.com.

Interested applicants can submit their resume, in absolute confidence, to Careers@tsman.com.
