

Electrical Assembly Technician

Company Overview:

TS Manufacturing, a local family-owned manufacturer of Automated Machinery for the Sawmill & Material Handling sector, based in the scenic City of Kawartha Lakes. As an industry leading manufacturer, TS Manufacturing has continually improved its facilities and infrastructure leading to the completion of a multi-million-dollar facility and equipment expansion. Once our current expansion is complete, we will have over 77,000 square feet in our manufacturing facility. With modern technology, and a strong global customer base we require people who are willing to take advantage of the opportunities to improve our processes throughout our organization, including the Electrical Assembly Technician. Currently Celebrating 50 years in business with an experienced multi-generational team; TS Manufacturing offers a rural based lifestyle, while working in a global reaching, pandemic essential business; offering competitive pay and benefits.

Job Description:

The successful candidate will possess a background in a solid understanding of electrical and electronic theory to work in our facility in Lindsay, Ontario. Working alongside an exceptional Journeyman the successful candidate will assemble motor control centers, machine control panels, junction boxes, etc. This is an entry level position with potential to advance based ability and performance.

- Ability to properly label wires
- Terminate electrical circuits
- Layout and run wiring in a neat and precise manner
- Identify and locate electrical components from material lists
- Read and interpret blueprints and electrical drawings

Qualifications:

- Minimum Post-Secondary School Diploma in relevant discipline (Electronic Engineering)
- Basic knowledge of the components used in the control/drive systems of modern machinery
- Exceptional Manual dexterity
- High level of attention to detail
- Perform tasks with sense of pride
- Minimum Secondary School Diploma (Electronic Engineering)
