

# Electrical Systems Detailer

## Company Overview

TS Manufacturing is a family-owned Canadian company and global leader in automated machinery for the Sawmill & Bulk Material Handling industries. Based in Kawartha Lakes, we've been in business for 50+ years, recently expanding into a 70,000 sq. ft. state-of-the-art facility. Join our seasoned, multi-generational team and work on projects that reach customers across multiple continents.

## Job Description

We're looking for an Electrical Systems Detailer with strong AutoCAD Electrical skills and a background in electrical engineering technology. You'll work on diverse machinery projects, producing accurate drawings and documentation, and supporting our Plant Electrical Department.

## Key Duties Include

- Prepare electrical designs/drawings using AutoCAD Electrical
- Update and maintain as-built drawings and documentation
- Generate bills of materials and technical packages
- Collaborate on large design projects (independent & team-based)
- Provide technical support to plant staff

## Desired Skills & Experience

- 3-year diploma in Electrical Engineering Technology (or equivalent)
- Proficiency with AutoCAD Electrical & Microsoft Office
- Strong organizational and communication skills
- Ability to balance multiple projects and meet deadlines
- Flexibility to work overtime when required

## What we Offer

- At TS Manufacturing, you're not just a number — you're part of the team. We offer:
- Competitive pay + overtime
- Company pension & comprehensive benefits (health, dental, disability, life)
- A supportive, team-oriented environment in a scenic location
- Global project experience
- Work/life balance in the beautiful Kawartha Lakes region
- A chance to build a long-term career in a growing, stable company
