

Industrial Painter

Role Overview

The **Industrial Painter** is responsible for preparing and painting sawmill equipment and components using primarily quick-dry enamel coatings. The successful candidate will take pride in producing high-quality finishes while maintaining a safe, clean, and efficient work environment.

What You'll Do

- Work safely and in accordance with all health and safety procedures
- Wear and properly use required Personal Protective Equipment (PPE)
- Clean, prepare, and mask equipment and components prior to painting
- Operate, clean, and maintain painting equipment and tools
- Apply paint to the required thickness using air-assisted airless and electrostatic spray equipment
- Inspect finished products and perform touch-ups or corrections as required
- Maintain a clean and organized painting area
- Operate overhead cranes and forklifts as required
- Follow established quality standards and painting specifications

What You Bring

- Minimum 1 year of industrial painting experience or equivalent experience
- Experience with spray painting equipment and techniques
- Ability to work effectively both independently and as part of a team
- Strong attention to detail and commitment to quality
- Reliable attendance and punctuality
- Ability and willingness to work overtime as required
- Commitment to working safely and following company procedures

About Us

TS Manufacturing is a family-owned Canadian company and global leader in automated machinery for the Sawmill & Bulk Material Handling industries. Based in Kawartha Lakes, we've been in business for over 50 years and recently expanded into a 70,000 sq. ft. state-of-the-art facility. In addition to serving customers across multiple continents, we proudly supply industrial products and services to local businesses and

communities. Join our seasoned, multi-generational team and contribute to projects that support both local industry and global operations.

Applicants are encouraged to view the website, www.tsman.com as well as our YouTube channel <http://www.youtube.com/user/tsmanufacturing>.

Why Work With Us?

At TS Manufacturing, you're not just a number — you're part of the team. We offer:
